

A small winetasting explained:

Our wine tastings are named after the towers of the city wall. Out of the six wines there will be something for every taste. A light snack will be served.

6 glasses of wine (0,1/0,05ltr.)

If this amount of wine is too much for you, please ask our staff for a half filling, for less 3,00 €.

For your notes:

Diebesturm, Tower of Thieves

Rivaner, Riesling, Kerner, Scheurebe, six different dry wines, typical for this region. This sample consists of our wine list numbers: 1,2,4,5,7,8

Münzturm, Mint Tower

Riesling and Burgundy, a selection of medium wines, discover the fine flavour of peaches and apricots. This sample consists of our wine list numbers: 1,7,22,24,12,43

Liebesturm, the mysterious Tower of Love

Riesling, Scheurebe and Burgundy, sweet enticing wines, you will like the sweet fruity flavour. This sample consists of our wine list numbers: 43,24,32,33,1/2 glass 36,1/2 glass 38

Alte Stadtmauer, Old Town wall

An expedition through the area, from dry to sweet. This sample consists of our wine list numbers: 1,2,22,24,33,1/2 glass 36

The ideal accompaniment to our wines:

Heidrichs Dreierlei:

small portions of "Spundekäs" spicy cream cheese, home-made salad of cheese and sausage, "Handkäse" a regional sour milk cheese with vinaigrette and onions with bread

The description of the wine tasting is on the back. This sample sheet is for you to take with you. We can ship 6 bottles to the US. It costs 85 euros to send the wine (packaging and shipping). The wine must be paid extra. If you want to ship some wine, please ask our staff.
